

Your Premium Onboard Courier

Best Global Onboard Courier Service Provider

Emergency solutions

Because the **unpredictable is difficult** to predict.

What if...

- The assembly line stand still?
- You need an AOG spare part urgent?
- You need an urgent delivery to a vessel "deck"?
- You need an urgent spare part to deliver to an oil field?
- You have a computer server crash?
- You have a medical or vital emergency?
- You have a last-minute order?

Then **Wings it!**

Worldwide coverage

Unbeatable timeframe

Security & reliability

High knowledge / Professional expertise

Flexibility

Full visibility

Tailor-made industry solutions

Regardless of your industry, Wings on Board offers a tailor-made solution for your time critical consignments. Whether it is a time sensitive challenge in the automotive, pharmaceutical, oil & gas, or ship- and marine parts industry, you can count on Wings for dedicated and on-time delivery of your urgent consignment.
